

Golden History

Beautiful material with tradition feel and very good for using stonemason chisels. Golden History was used for **cultural monuments in the Czech Republic - repair works on Charles Bridge, St. Vitus Cathedral or the Lány Chateau**. With this stone we prefer work with no-gap look or colorised cement fill spaces between stones.

Suitable for: stone facade, stone fence, stone wall, retention wall, interior wall.

Material price: 990 Kč/m² (excluding VAT)
